**Dear Taupo Council,**

**I am Max from Wairakei Primary School,  
Taupo.**

**I am writing to you to find out how to  
clean up a polluted stream like the  
Mangaraupō stream.**

**Firstly, what materials will I need to clean  
up a local stream?**

**Secondly, could you please send me some  
information on how to clean up a polluted  
stream?**

**Thirdly, I am hoping to be able to see  
macroinvertebrates, trout, and other life  
when we are done cleaning the stream.**

**P.S Thank you Taupō Council**
